Tena koutou katoa,

**Re: Appointment of General Manager – Tūwharetoa Settlement Trust**

As you may be aware the Tūwharetoa Settlement Trust has recently sought to fill the vacant General Managers (GM) position. Having now completed the recruitment process I am very pleased to announce that Sean Te Heuheu has been appointed to the position of General Manager for the Tūwharetoa Settlement Trust.

Sean has experience working with Māori organisations having previously worked for the Tūwharetoa Māori Trust Board and in his current role with Miraka Limited.

Our current GM Greg Stebbing has agreed to remain involved with the organisation in a part time capacity as Commercial Advisor.

We look forward to welcoming Sean when he commences on the 05 July 2021.

Should you have any queries, please do not hesitate to contact us at the Tūwharetoa Settlement Office, telephone 0800 889 427 or email [info@tst.maori.nz](mailto:info@tst.maori.nz)

**Ngā mihi nui**
